PHYS 3200 - Homework 6

- Due on Tuesday, November 3rd by 11:59 pm on Gradescope
- Include your full name and Coyote ID on the top of the first page
- Clearly circle or box your final answer for each question or part of a question
- Solutions should be neatly written and easy to follow
- You must individually tag each question on Gradescope to the appropriate pages or images that you upload. If you do not tag your work for a given problem you will not receive credit for it.

Textbook Problems

These problems can be found at the end of the chapter. The problem set will be graded both on completion/attempt (50/100) of each problem and randomly on the correctness of 1/3 of randomly chosen problems from the set (50/100). Solutions will be posted after submissions are due.
